

Information regarding the mobility

Art.4- (1) The academic mobility may be carried out at the student or PhD student's initiative under the following conditions:

- a) the existence of interinstitutional agreements
- b) the acceptance of the home, respectively host, accredited or provisionally authorized higher education institutions, as the case may be

(2) The interinstitutional agreements establish the conditions for carrying out the mobility between the accredited or provisionally authorized higher education institutions: type of mobility, duration of mobility, number of mobilities, domain, study program, funding temporary mobility, language of study, accommodation conditions etc.

(3) The interinstitutional acceptance consists of filling out and signing the application request, stipulated in the annex, which is an integral part of this methodology, as follows:

- a) the student or PhD student submits the mobility application at the higher educational institution where s/he wants to carry out the mobility, in order to get the acceptance.
- b) after getting the mobility acceptance, the student, respectively the PhD student requests the mobility at the higher educational institution where s/he is enrolled.
- c) the higher educational institution that accepts the mobility signs the application first, then this is signed by the institution that sends the student.
- d) in the application, there are also mentioned the conditions under which the mobility takes place.
