3rd Erasmus+ International Staff Week

Universities – the heartbeat of the city: A growing hub of international collaborations and communities

5-9 May, 2025

-Event Programme-

Politehnica University Timisoara has the honor to invite you to the 3rd edition of its Erasmus+ International Staff Week, a dynamic event centered on international collaboration, university–industry partnerships, and student development.

Key topics include enhancing mobility within European university alliances, strengthening employability through corporate engagement, and supporting student growth via counseling and student union initiatives.

The program also addresses personal and professional well-being, with a focus on stress management. The event offers a vibrant platform for exchange, innovation, and impact on global education and the labor market.
