6 weeks - €2,204	16 weeks - €4,794

DATES

We organise internships all year round.
Between March and May, demand is higher.
We recommend booking in advance.

How It Works

You tell us what you're studying, your interests, your language level and your preferred dates. Based on this information, we find an internship in Huelva that matches your profile and professional goals.
Once we find the right placement, we support you throughout the entire process: we coordinate your start and follow up with you during your stay. Plus, we'll always be nearby if you need help in an emergency.
